# Information for Travelers – Student/Guest Travel

## IMPORTANT Timeframes to Remember:

**DOMESTIC** travel – begin the completion of relevant forms and sourcing of approvals a minimum of **3 weeks prior to travel**

**INTERNATIONAL** travel – begin the completion of relevant forms and sourcing of approvals a minimum of **6 weeks prior to travel**

## Step One – Plan your Travel

Prepare an estimated budget. Quotes for airfares, accommodation and car hire must be obtained from Corporate Travel Management (CTM). For domestic travel visit <https://www.alluretravel.com.au>. For international travel, create a booking request in Concur. Entering your details in Concur will send a request to CTM for a quote.

**Please Note:** no bookings are to be made at this time only quotes.

In preparing your estimated budget, keep in mind available funds in the account and JCU daily limits:

Accommodation \$250 per night

Meals and Incidentals \$100 (full day), \$60 (part day - Traveller departed after 9am or returned before 5pm)

## Step Two – Complete Travel Request Form

Extract the Travel Request form from this document to complete it.

Hints for filling out the travel request form:

- Number of attendees – indicate here the number of other attendees who have the same travel details as you. If the other attendees have different travel plans they will require a separate travel request. Ensure you complete the details on the *Other Attendees* page (you do not need to complete the attendee list if all of the attendees are listed in the Field Trip Module information).
- You must indicate if your trip will include a component of private travel, ie. days when you are not conducting JCU business. If “Yes” is selected, please complete the *Travel Diary* page. The University will not pay for any expenses incurred on private travel days.
- ORGU, Project, Fund – this is commonly referred to as the “account code”. If you do not know the JCU account code that will be used to cover the cost of your travel, please speak to your supervisor.
- Payment method options:
  - FABs Central Card - all flights and car hire
  - Travel Credit Card - if you have a JCU corporate credit card, this should be used to cover your travel expenses
  - OIC Credit Card - if someone travelling with you has a JCU corporate credit card, this should be used to pay for your expenses where possible.
  - Request Travel Credit Card - if you don't have a JCU corporate credit card, you can request one (conditions apply)
  - Creditor payment (invoice) - recommended for large amounts or for suppliers who don't accept credit card.
  - Reimburse Upon Return - you will pay for the expense and seek reimbursement upon completion of travel
  - Travel Officer Credit Card - if the above options are not suitable, a [dtestravel@](mailto:dtestravel@jcu.edu.au) officer will pay for the expense

**IMPORTANT** – Sign the form electronically. Forms that are not digitally signed will be returned.

**IMPORTANT** – Please have your Supervisor/Account Holder sign their approval for you to travel in the Acct Holder/Supervisor signature box.

## Step Three – Source Travel Approval

Collate supporting documentation and submit all paperwork to [dtestravel@jcu.edu.au](mailto:dtestravel@jcu.edu.au). **Ensure you attach the necessary supporting documentation.** *A list of supporting documentation is provided in the DTES Travel Requirements table in this package.*

[dtestravel@jcu.edu.au](mailto:dtestravel@jcu.edu.au) will source the necessary approvals for you. You will receive an email from [dtestravel@jcu.edu.au](mailto:dtestravel@jcu.edu.au) once your travel is approved.

Ensure you keep the fully approved Travel Request as you will need it to acquit your travel.

## Step Four – Booking Travel

Access Concur and complete a booking request for all airfares, accommodation and car hire. Ensure you attach your approval email to your booking request.

**IMPORTANT:** if accommodation, airfare or car hire bookings are not made through Concur, the university may not cover the associated costs.

**Please Note:** Accommodation is charged on check out. This means you will either need to use a corporate credit card or your own card/cash for payment.

## Step Five – Prepare for Travel

If you have requested a corporate credit card ensure you follow this up with the Corporate Credit Card team on extension 15293 prior to departure.

If you have incurred out of pocket expenses prior to travel (eg. Conference registration), seek reimbursement by completing an Expense Report in Concur.

## Step Six – Undertake Travel

Ensure all receipts for expenses are kept. Receipts must meet the Australian Taxation Office requirements and must not be EFTPOS receipts (receipt that is received when making payment by credit card).

If you are travelling to a remote international destination we recommend taking a receipt book so the details of the purchase can be written down and signed by the supplier.

## Step Seven – Acquit/Reconcile Travel

Within 21 days of your return complete an Expense Report in Concur – **ensure you attach the email from your supervisor in the Expense Report Header.**

Please Note: Expenses relating to private travel (ie. were not incurred for JCU business) will not be reimbursed.
